INDEPENDENT REPRESENTATIVE ~ SELF DIRECTED IRA'S

—to market self directed IRA's, 401k's to consumers and businesses.

A truly self-directed IRA allows you to invest in non-traditional investments. Many people do not realize that since 1974, the IRS allows the public to control their own investments. All income derived from your investment grows within your IRA tax-free until time for distribution. Self Directed IRA investors invest in all forms of real estate, tax liens, mortgage backed notes, private placements, gold, LLC's, oil and gas reserves etc.

Become an [Independent Representative](#) with us and help numerous people control what they invest, rather than being told what they can invest in.

We represent a rapidly expanding Self Directed IRA administrator that seeks a handful of [INDEPENDENT REPRESENTATIVES](#) to start immediately. This is an independent contractor position (1099) with incredible training and support. You can pursue this part time or full time. Work your own hours, work from home or out of an existing office. Many working professionals and business owners leverage this opportunity on a part time basis. Build lasting relationships with real estate coaches, investors, developers, brokers, lenders and business owners to gain long lasting success!
